

Perfect Christmas

by Amy Powers, Gabriel Mann, and Rob Hudnut

Well I've been waiting all year
Just for this day to get here
And I've been learning
Nothing goes exactly like you plan.

Yeah I've been flying so low
Wishing I was in SoHo
I thought I'd be a no go for this show
But here I am.

You might have seen me checking out
What's underneath that tree
But I have realized that there
Is just one gift for me.

It's a perfect Christmas
It's a perfect Christmas
It's a perfect Christmas
'Cause I'm with you.

The ornaments are rocking
Somebody stole my stocking
I think I threw out all my gift cards
With the recycling.

The Christmas lights are tangled
The mistletoe got mangled
And even though my nerves are jangled
I'm good with everything.

'Cause now I know the reason
It's the season of good cheer.
I'd even eat the fruitcake
It's the same one as last year.

It's a perfect Christmas
It's a perfect Christmas
It's a perfect Christmas
'Cause I'm with you.

Hey! Hey! Hey!
Put your hands up in the air
Ho! Ho! Ho!
Santa can you feel it?
Here we go!
Spread the magic everywhere
Hey! Ho!
Everybody shout out loud!

It's a perfect Christmas
It's a perfect Christmas
It's a perfect Christmas
'Cause I'm with you.
Hey! Hey! Hey!
'Cause I'm with you.
Ho! Ho! Ho!
'Cause I'm with you.
Here we go!
'Cause I'm with you.
Ho! Ho! Ho!
'Cause I'm with you.
